

SMT, Semiconductor, Electro-optics, Optics and Medical Assembly

EMI - *Electronic Materials, Inc*

- UV and heat cure Epoxy and Acrylic Adhesives for Medical, Electronics and Fiber optics

AMERICAN ULTRAVIOLET

- UV Spot Cure Systems, UV Curing Conveyors, Germicidal UVC, Medical area Sterilization

Quantum Technologies

- UV Calibration Systems, Radiometers

Hitachi High-Tech Instruments Co., Ltd.

- High Speed Surface Mount Technologies

DYNAPACE Corporation

- PC Board Conveyor and buffer storage Systems

epm True Modular

- High Production Wave Soldering Systems

Streckfuss USA

precision equipment for the electronics industry

Sealed Soldering | Wave Soldering

- Lead Forming, Wire Stripping, Wire Forming, Solder Dross Reprocessing

Sciencescope International

- X-Ray Inspection
- Stereo Optical Inspection Microscopes and Video systems
- Video Measurement Systems and illuminators

PUREX

Purex

- Fume Extraction for laser and solder, Air Filtration and Purification systems

Q Corp

- Lead Trimming, Tape and Reel systems
- SMT Pick and Place for Proto-type and Medium Production
- Solder Reflow ovens and Stencil Printers
- Laser cut Stencils, rapid turn-round

Ambitec

- SMT and PCB Equipment

The Science of Cleaning

- Austin American In-line and batch cleaners for PCB's and Stencils
